Dear Jaime and the Nassau Wings Motorcycle Club,

Thank you so much for your generous gift of \$3,245.00 to the Amyloid Treatment and Research Program at Boston University School of Medicine. We are very grateful.

We will use your gift towards the Stem Cell Transplant Suite in the new J. Joseph Moakley Building. This suite will greatly improve our care of patients. They will have a state-of-the-art facility with individual rooms while going through treatment. It will also provide efficient working space for our doctors and nurses.

Again, thank you. It was wonderful to see so many of you on Patients Day. Your group is extraordinary and we are so proud to have you on our Team.

Sincerely yours,

Martha Skinner, M.D.
